4.9 seconds

Motor

Permanent magnet, bar wound

Max speed

210 km/h

Power³

384 kW

Near instant Torque³

720 Nm

Braking Efficiency

Regenerative braking, featuring Regen on Demand⁶ and One Pedal Driving⁶

Final Drive Ratio

Front: **9.87**

Rear: **10.49**

Battery system

Type

Rechargeable energy storage system comprising multiple linked modules

Battery Rated Energy

92kWh

Battery chemistry

Lithium-ion NMC cathode, blended graphite anode

Combined Electric Energy Consumption

20.2 kWh / 100 km

Range and Efficiency¹

503 kilometers in combined cycle electric range

Charging times²

7.4 kW Single Phase AC Charger

Up to 34 kilometers of range per hour of charge time

22.1 kW Three Phase AC Charger

Up to 105 kilometers of range per hour of charge time

DC Fast Charge (up to 130kW)

Up to 114 kilometers of range in 10 minutes of charge time

Chassis & suspension

Front and Rear Suspension

5-link independent suspension with Passive-Plus Premium Dampers

Brake Specifications

Brembo® performance front brakes

Steering Type

Continuously Variable Electric Power Steering (EPS)

Turning Circle (curb-to-curb)

12.1 m

Brake Specifications

390 mm (front) FRT Fixed Caliper Disc

345 mm (rear) RR Sliding Caliper Disc

Wheels

21", alloy

Tyres

275/45R21 with self-sealing technology

Weights & capacities

Tare Weight

2687 kg

Gross Vehicle Weight

3200 kg

Passenger Volume¹⁶

2976 L

Cargo Volume¹⁶

793 L (behind rear seat)

1722 L (rear seatbacks folded)

Warranty¹⁷

Vehicle

5 Years, unlimited kilometers

Battery

8 Years, 160'000 km - whichever comes first

Service Intervals

12 months / 12,000 km - whichever comes first

Premium Roadside Assistance

5 years, complimentary premium roadside assistance

Cadillac has taken reasonable steps to ensure that the information contained in this document is accurate at the time of publishing (August 2026). Cadillac reserves the right to change and/or discontinue, without notice, for any features and specifications contained in this document. Vehicles shown are simulated local production vehicles intended for illustrative purposes. Colours and other features may appear different in real life.

*Additional cost option

¹ The range of electric vehicles is determined using a uniform measurement procedure (WLTP). These results are not guaranteed. Range and energy consumption may vary under real-world conditions depending on driving style and various external factors. It is therefore not always possible to achieve the range according to WLTP.

² Actual charge times will vary based on battery condition, output of charger, vehicle settings and outside temperature. See the vehicle's Owner's Manual for additional limitations.

³ Figures based on GM testing in the United States in controlled environments. Actual figures may vary and are subject to environmental conditions

⁴ Cadillac Connected Services is available for up to 8 years after the first vehicle registration. Cadillac Connected Services Plus (Video streaming, web browsing and gaming) is available for up to 3 years after the first vehicle registration on model year 2027 or newer vehicles. Connected Services are dependent on compatible wireless networks provided by third-party wireless service providers and other factors outside of Cadillac's control. Services subject to change. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities may vary by model, vehicle configuration, and conditions as well as geographical and technical restrictions and are subject to user terms and limitations. Model Year 2025 LYRIQs delivered prior to January 2026 may require a complimentary update at a Cadillac Service Centre or Certified Service Partner to enable Connected Services. See connected vehicle user terms for details and limitations available at cadillacan.z.com.

⁵ Google, Google Automotive Services (GAS), Google Play, Google Maps and Gemini are trademarks of Google LLC. Google built-in requires an active Cadillac Connected Services complimentary trial or subscription. Users must be signed into a Google Account to access Gemini. Features may differ depending on subscription, and results may vary. Some connected apps require setup. Compatibility and availability varies. 18+.

⁶ Requires compatible mobile device. See device app store for compatibility and device requirements.

⁷ Over-the-air eligibility applies depending on the scope of the service or update. Cadillac does not guarantee all services or upgrades will be available by over-the-air.

⁸ Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

⁹ Requires compatible active streaming service.

¹⁰ Not compatible with all devices.

¹¹ Vehicle user interface is a product of Apple® and its terms of use and privacy policies apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. Use of Apple products requires acceptance of any applicable terms and conditions. Data plan rates apply.

¹² Vehicle user interface is a product of Google and its terms of use and privacy policies apply. To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan, and the Android Auto app. Google, Android and Android Auto are trademarks of Google LLC. Use of Google products requires acceptance of any applicable terms and conditions. Data plan rates apply.

¹³ The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility consult your carrier.

¹⁴ Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See your vehicle Owner's Manual for more information.

¹⁵ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle's owner's manual for more important safety limitations and information.

¹⁶ Cargo and load capacity restricted by weight and distribution.

¹⁷ View important information and terms & conditions relating to service, roadside assistance, and warranties in the ownership section of the Cadillac Australia & New Zealand website.
